INTERVIEW WITH ADAM

Boris - "How did you meet your wife?"

Adam - "We met online. I was living in the Ukraine at the time, and my wife was living in Australia. We started talking online and then met in person a few months later."

Boris - "What was your first impression of her?"

Adam - "My first impression of her was that she was beautiful and kind. We had a lot in common, and I could tell she was a good person."

Boris - "What do you love most about her?"

Adam - "I love how caring she is. She always puts others first and is always willing to help out. She's also a great mother to our kids."

INTERVIEW WITH ADAM

Boris - "What was the process of marrying her like?"

Adam – "The process of marrying her was pretty easy since we were already living in different countries. We just had to go through the normal marriage procedures in each country. It wasn't too expensive, either."

Boris – "Do you have any advice for other men who are considering marrying a Ukrainian woman?"

Adam – "My advice would be to take things slow and get to know your wife well before making any commitments. Make sure you have similar values and interests, too, since it will make life a lot easier down the road."
