

Russian girls answered why they became Mail Order Brides

#1 Alla

"I'm Alla. I became a mail order bride because I love the foreign mentality and the excitement of travelling to new places. I've been all over the world, and there's still so much more for me to see.

I love learning about new cultures and customs, and I can't wait to experience more of what the world has to offer."

#2 Nancy

"Hi, my name is Nancy. I became a mail order bride because I wanted to find a man who would love me for me. I didn't want to have to change myself or act a certain way around him. I just wanted someone who would appreciate me and my quirks.

I'm an introvert at heart, but I do enjoy spending time with close friends and family. I love reading books, especially romance novels (I know, it's a bit cliché). And I love spending time in nature, taking walks and hikes whenever possible."

#3 Kristina

"I was tired of being alone. I wanted a family, and I wanted to be loved. So, when I saw the ad for Mail Order Brides, I decided to give it a try. I never imagined that I would find my husband through an online service, but that's exactly what happened."
